

PHASE TWO CONTRACT SIGNING

The Academy seeks to expand and take in their second group of students that will be double the number of the current learners. In preparation for this various facilities need to be put up so as to accommodate the new students. With this in mind, the Academy signed a contract with China Railways Jianchang Engineering Group for the construction of the second phase that entails the building of two dormitories for both boys and girls to accommodate the 2017 form one learners.

RUNNING FOR NATURE

The M-Pesa Foundation Academy students on the 25th of June 2016 joined together with like minded supporters in the much anticipated Lewa Marathon in the Lewa conservancy. The annual event, organised by Safaricom in conjunction with Tusk Trust attracted 1,256 participants running in the half marathon category, while 148, braved the full marathon. 183 children took part in the 5km children's race with the Academy's team participating in this category. Well over 5,000 spectators came to cheer on the runners as they cut across Lewa's rugged course. The students were victorious with Ricky Ruto Talaam emerging second in the boys 15-17 years category with a record time of 0:21:49 minutes.

FIRST LADY PUPILS REWARD SCHEME

Abigail Kadogo

Our very own Abigail Kadogo from Kitui county was selected for the Pupils Reward Scheme (PURES) Level 3, in which she got to visit State House and spend a whole week with other students who were also top 3 in their respective counties. Abigail was the third student in the 2015 KCPE in Kitui County with 418 marks. She becomes the second student in the Academy to be honoured in this programme after Boniface Thurania, who was honoured for being the top student with 417 marks in Isiolo county in the 2015 KCPE exams.
